

## OFFICIAL LETTER

Yangon, Myanmar – 29 May 2020

Subject: Postponement of ProPak Myanmar 2020

Dear Participants,

After serious consideration and close consultation with our stakeholders, exhibitors and industry partners in the packaging industry, Informa Markets in Myanmar, organizer of **ProPak Myanmar** has **decided to postpone its signature event, originally scheduled for 17 – 19 September 2020 at Myanmar Expo to 8-10 September 2021 at the same venue.** The event is concurrently co-located with DrinkTech Myanmar, Ingredients Myanmar, PlasPak Myanmar and PrinTech.

The decision to postpone the event was a difficult but necessary move in light of the evolving COVID-19 situation and the subsequent stringent global and travel safety measures. Given the large international participation scale of ProPak Myanmar, holding the event at its original dates would affect several global players chances to participate and benefit from the gathering.

We believe these revised dates for the Myanmar show will provide a more inclusive opportunity for the industry. We sincerely apologize for any inconvenience this may cause you. On another hand, our other regional ProPak vertical shows are organized in the 3<sup>rd</sup> and 4<sup>th</sup> quarter of 2020 such as ProPak Vietnam on 9 – 11 September 2020 ([www.ProPakVietnam.com](http://www.ProPakVietnam.com)), ProPak Asia on 20-23 October 2020 ([www.propakasia.com](http://www.propakasia.com)) which will also assist the industry. We encourage you to explore these events as well.

We wish to thank those who participate and support the shows and we greatly appreciate your patience and understanding. Our sole focus remains to provide an event of enhanced quality, with more exhibitors and qualified trade buyers to make your participation a huge success. We look forward to seeing you again in September 2021.
